

To whom it may concern

Park Lane have successfully completed a number of both small niche schemes and larger projects across various market sectors with ARK over a number of years. We have always found the team at ARK very responsive and tuned into the needs of the Client.

Tom and Brian, as the two Principals in the practice, have always remained "hands on" throughout the projects.

We would be very happy to recommend ARK

A handwritten signature in blue ink that reads "Brian Clarke".

Brian Clarke
Joint Managing Director
